Non-Member Attendee Policy for Monthly Membership Luncheons (Approved January 30, 2013)

In an effort to maintain the value of membership, the Board of Directors established a policy for non-member product and/or service providers for attending the Monthly Membership Luncheons, effective January 1, 2013. Each non-member that provides a product and/or service to the commercial real estate industry may attend only two (2) Monthly Membership Luncheons per calendar year (January –December).

This policy is to be adhered to by all current Allied and Principal Members of BOMA Fort Worth.
